New Interactive Objects

The Sims 4 Luxury Party Stuff includes brand new interactive objects: The Buffet Table and The Fountain of Mirth. These objects add additional gameplay to the game, and include some new Food and Drink Recipes. The Buffet Table allows Sims to serve 5 new food recipes, and the Fountain of Mirth allows Sims to serve 7 new drinks and fondue. Click the table or fountain to serve.

- Sims who increase their Cooking and Mixology Skills will unlock new Fondue and Fountain Drinks.

- The Sausage & Peppers recipe has been added as an option to the Outdoor Grill. The Ceviche & Chips, Vegetable Tempura, and Almond Macaroons recipes have been added to the Oven/Fridge.

- The Roast Chicken that is available with the Buffet Table is not new, however, it has become available immediately through the Buffet Table. The only other way to create the roasted chicken is to reach Level 10 of the Cooking Skill.

- Sims can serve any self-created food dishes in the game through the “Serve From Inventory” interaction. The food dish must be in a Sim’s inventory to be served.

- Sims with a Level 5 Cooking Skill can “Improve” drinks and fondue made at the fountain.

- Sims with a Level 4 Mischief Skill can “Add Something Extra” to the fountain contents. Drinking from the contaminated fountain will give Sims a 4-hour Uncomfortable moodlet. Sims who contaminate the fountain will not have the option to drink from it.

- Sims with the “Childish Trait” can “Taste Fountain’s Contents”. When selected, Sims will dip their hand into the fountain to “taste test” the fountain contents.

$185
Be you debutante, wall flower, or night beast, the Chiawowi Seat is a perfect temporary waypoint on which to plan your next move.
Comfort: 3

Uptight Stool
$330
This club is for the fancy, the upper crust, the well known, and the it listers. If they sit, and they don’t, they do so on the Uptight Stool - a piece of furniture built exclusively to support the egos of those seated upon it.

The Parttoman
$200
It was deemed the Ottoman seat was just not stylish enough. Not refined enough. Not PARTY enough. Hence, the Parttoman. A slammin’ good time, but also, an Ottoman.

Table Sequinas
$345
Not the typical table for dinner, or brunch, definitely not brunch, the Table Sequinas is a flashy surface that repels the boring and tedious types who go to sleep before midnight.

Boom Cube
$210
The Boom Cube is a perfect surface, or series of surfaces. It is a cube after all. Eat on it, but only if you’re going to be daring. And don’t leave things on it! Such behavior demeans the Boom Cube.

Shine Bar
$985
A cocktail that glows is one sure to delight the tummy and sparkle the evening with pizzazz and flash. Mix a drink behind the Shine Bar and start the evening off right.
**Fountain of Mirth**  
$265  
This repository of flavor and delightful tastes is stacked and tiered perfectly for a party or ambitious solo evening. With the Fountain of Mirth, you'll have a mouthful to share with others. Now with more flavors!

**Banquetia Plateau**  
$455  
Renowned culinary enthusiast Gerhardt von Foodenschnutz decried the lack of surfaces that could support not one, not two, but more than that amount for food. Von Foodenschnutz wanted a way to show off everything he and his guests wanted to eat. While walking along a particularly lengthy flat surface, he had his eureka. The Banquetia Plateau, perfect for serving food to large parties!

**Fancy Feast Banquet Table**  
$525  
With the ability to showcase numerous dishes at once, this table is just what your Sim needs for his or her next sophisticated soiree. Showcase your Sim’s “Around the World in Foodie Days” appetizer spread or just throw down some Mac and Cheese and be done with it. No matter the level of effort put into the actual food, this table will make your repast look like gourmet dining!

**Dream Ruffles**  
$410  
Right as the clock strikes midnight, the Dream Ruffles are set stylishly to capture your passion, hopes, and yes, dreams! With every swish and evocative caress of a window, the Dream Ruffles encapsulate everything special about midnight.

**Lamp de Twist**  
$280  
Light emanating from a straight source has been scientifically proven to be boring and a “major downer” for the evening. Sprout light particles from an undulating surface -- the Lamp de Twist!
**Pulse Panels**
$325

Unhntz unhntz unhntz. You hear it? You feel it? You see it? Alert your senses. The Pulse Panels are pushing light onto the floor, but you gotta do the rest with your entire body. FEEL IT.
