Xraydio 2 Disc
\$1,050

Truly a conversation piece that orchestrates a melding of music, style, science...and one X-ray machine...into a stunning conversation piece for your living room. You may not be able to play actual music on the X-ray of a DJ console but it looks great and makes a handy place to stack a few books too.

Environment: 2

Rock Chair
\$950

Exhibiting the power of a volcanic eruption with the stark beauty of a lava flow, the Rock Chair is a study in contrasts. The rugged cubic exterior encases the silky smooth comfort of the contoured seat. Pair a few of these chairs up with the matching Suspension Rock Ceiling Lamp and you'll blow your mantle.

Environment: 2

Xraydio 1 Razza Side Table
\$1,200

The evocative style of the Xraydio 1 Razza Side Table carries a wave of beautiful details on its surface. The stark iconography will leave your head swimming with the fishes when you gaze upon the unique X-ray print of a ray fish. What more could you want from an occasional table?

Environment: 2

Pylon Chain Glam Table
\$1,900

Dine with the strength of steel, the protection of chainmail and the glamor of an eloquent soiree. The Pylon Chain Glam Table offers all of this and so much more. Polish your knives (don't forget the salad fork!) and prepare to be the Knight of the dinner party with this noble table.

Environment: 5

Total Flightcase F36
\$1,275

Miss the days of playing to sold out stadiums? Waiting for your next encore performance? Even if you don't know a thing about touring in a band you can still pretend with a Total Flightcase F36. Inspired by musicians' storage cases, the Total Flightcase comes in 2 models - the F36 and F35. The Total Flightcase has been modified to fit your every need...as long as you need a new coffee table.

Environment: 2

Nebula Nine
\$2,600

Sitting on the Nebula Nine Sofa is like sitting on top of the stratosphere. The oversized cushions welcome you in a plume of comfort and envelop you in the calm before any storm. Reach for the sky without leaving the confines of your living room.

Environment: 4

Total Flightcase F35
\$1,175

Miss the days of playing to sold out stadiums? Waiting for your next encore performance? Even if you don't know a thing about touring in a band you can still pretend with a Total Flightcase F35. The Total Flightcase has been modified to fit your every need...as long as you need a new coffee table.

Environment: 2

Nebula Five Platform Bed
\$4,700

When you dream of sampling the freshest beats, make sure to put the needle on the record when you sleep in a Nebula Five Bed. The sturdy platform bed cradles the cushioned headboard and turntable pillows. Cue up the Z's and fade into your favorite dream track.

Energy: 10
Stress Relief: 4
Environment: 7

Suspension Rock Ceiling Lamp
\$975

The Suspension Rock will metamorphosis the home with a study in contrasts. The rough exterior, inspired by volcanic rock, breaks away to reveal the smooth interior filled with incandescent light. Mysterious and brilliant like a stream of lava, but without the annoying eruption of an actual real volcano.

Environment: 2

Fork Table Lamp
\$520

The Fork Table Lamp is the companion to the larger Fork Floor Lamp, displaying the same style and casual appeal on a smaller scale. The jean stitching on the casual shade emits a soft patchwork of light, like dancing shadow puppets on a canvas tent. Come play with the Fork Table Lamp and get away from it all... while staying right at home.
