About Editors

Alexurt

Hey everyone! My name is Alexurt and I am the site owner and editor for SimsVIP! I am a long time simmer and community member, and I am also the one woman show who creates the text and photos for these awesomely free game guides!

For you to be reading this here section, means that you are reading the PDF version of this guide. These wonderful PDF versions of the Guide would not be available without the help of our partner Petar over at SimHrvatska.

Enjoy the guide and thank you for your continued support.

Petar

Hey Simmers, my name is Petar and I am owner of SimHrvatska. I am also designer of PDF version this guide and without great help I get from Alexurt, we did our best to make this guide better than others. I live in Slatina, small town in east Croatia. Many people know me from the first guide I created for SimsVIP, and I like that job.

So you can always say if we did good job, so if we did that, contact me by e-mail: jadek.petar@gmail.com or at SimsVIP website.

Create a Sim

Additional Gameplay

Rockability is an added "Favorite Music" in CAS option & Radio Station genre.

- With Fast Lane, Sims will be able to grow and manage relationships with their vehicles. The Vehicle will appear in the friendship panel, and relationships grow the more often a Sim drives it. Sims who drive and have good relationships with their vehicles, will eventually be allowed to name the vehicle.

- Fast Lane (and the patch update included) also adds a brand new trait to the game called Vehicle Enthusiast. With this trait, Sims can name vehicles immediately upon contact, as well as grow their relationships with vehicles faster. This trait is available to Children and Older.

Vehicle Enthusiast

Vehicle enthusiasts enjoy the craftsmanship of a fine ride and know the value of a dependable vehicle. Their relationship with their vehicles is a special one.

Build/Buy Objects

The Sims 3 Fast Lane includes 44 Build and Buy items for your Sims' homes.

Left at the Turnpike Bar
\$1,000

Life is but a series of choices made at unending crossroads. Whichever way you go in life, the Left at the Turnpike Bar will be waiting at every junction, ready to serve up a refreshing drink and provide serene solitude, a respite from the hustle and bustle of daily life. So take some time to catch your breath at the Left at the Turnpike Bar.

Fun: 6

Mrs. Wynndale's Writing Desk
\$675

Mrs. Lulu Wynndale was a great collector of correspondence supplies. She had two dozen pen pals and wrote numerous letters to members of her household staff, feeling that written communication was a more pleasant way of conversing with others. Consequently she spent much of each day cloistered in her office writing. This exact copy of her much loved desk was crafted by artisans at the behest of Mrs. Wynndale.

Environment: 5

The Transformation of Transportation Workstation
\$300

This workstation is crafted from a state of the art, heavy duty material trademarked as Simfastic! Simfastic! is guaranteed to withstand the impact of drills, saws, and most metals. It is rustproof, waterproof, and soundproof too! This revolutionary technology has changed the way workstations are used and abused in auto body shops the world over.

Environment: 2

Lulu's Loveseat
\$725

Lulu Wynndale prized function over form and comfort above all else. This loveseat may look simple, but don't let appearances deceive you—the cushions are filled with the finest goose down and the base is crafted from a single piece of solid oak. The firm backing is velvety-soft and offers practical back support, but maintains an elegant shape.

Environment: 2

The Wynndale Estate Sofa
\$1,150

Sculpted simplicity was the rage when the Wynndales ruled the social scene. This cozy sofa encapsulates the charmed sophistication of an era long since past. Upholstery that is soft to the touch and plush goose down padding that gently cushions the seated Sim help make this sofa one of the most luxurious furniture pieces available.

+++

The Wynndale Estate Chair
\$375

This comfy creation is a replica of chairs decorating the Wynndale Estate's main dining room, parlor, and summer tea time veranda. Lovingly recreated down to the very last detail, time spent perched in one of these chairs harkens your imagination back to a time when jazz music was king, ladies came to dinner bedecked in jewels, and gentlemen went out for fun on the weekends.

++

Right at the Turnpike Barstool
\$485

We all want to be "right" in life. We want to have the right of way. We want to make the right decisions. And, most importantly, we want to choose the right barstool! Plush yet firm and finely stitched, the Right at the Turnpike Barstool is guaranteed to be the right choice for at least one aspect of your life.

++

Boogie Lights
\$90

This light will make you want to put on your dancing shoes and boogie the night away! Its sleek curve and rockabilly style will transform your place into the trendiest home in town.

Environment: 1

Grandfather Wynndale's Electric Candle
\$350

The patriarch of the Wynndale never quite understood "that new fangled electricity thing" and consequently did not believe that light came from any source other than a candle. The family humored his eccentricities and the lamps in their home became jokingly referred to as "electric candles" both in his presence and behind his back.

Environment: 2

Stop-O-Meter
\$425

Use this sign to warn others of dangerous llama treading areas! You could even use it to keep unwanted suspects away—like your neighbors! Just remember: it is always better to be safe than sorry.

Environment: 2

Go! Go! Go! Lights
\$1,100

Wish you could race like the professionals? Well here's your chance! Turn everyday roads and rooms into race tracks with the Go! Go! Go! lights. Modeled after the real thing!

Recoil Hammer
\$14

Crafted from special materials designed to extend the force of your swing, the Recoil Hammer gets the job done in record time. Just don't forget the safety goggles.

Va-Va-Vroom!
\$450

This neon mural will make any housewife run...she won't be able to stand the looks of it! Want some time away from your wife? Get the Va-Va-Vroom! and create yourself some man time.

Tuff Gruff Tools
\$23

Tuff Gruff Tools ensures quality goes into your every chore or hobby, every time, always. Why look elsewhere?

Bucket of Fun

\$50

When the drudgery of clean up chores gets in the way of enjoying the day, pick up a Bucket of Fun! Our sturdy buckets have so many uses that every household needs a dozen or more! If you can't have fun, at least you can carry it with you.

Environment: 1

Speezy Spicy Chiles

\$225

Turn up the heat and pepper your kitchen walls with this whimsical hanging chile sculpture. This colorful hanging sculpture is sure to add spice to even the most bland color schemes. Not for consumption.

Environment: 3

Stack O'Storage

\$75

Bundled together for added value, this set of bins will be sure to fulfill your needs when you fill them up with spare parts or tools. Made from recycled plastic and designed to last for an entire lifetime or more!

Environment: 2

Rockability Record Shelf

\$300

Built during a time when music — and life — was much, much simpler, this sturdy shelf is designed explicitly for the comfort and display of your favorite vinyl. Be wary of dust, earthquakes, and spitting flames.

Environment: 3

The Gridlock Cone

\$75

When not used for directing traffic or alerting drivers of potholes, this cone makes for a lovely party hat. Made from sturdy materials, The Gridlock Cone will divert your attention to important danger zones so you can safely maneuver away from them.

Environment: 1

Totally Tools by Simplicity

\$600

Vehicle maintenance is not a task to be taken lightly. To run at optimum potential, the hood must be popped and the car's innards serviced regularly and with precision. Let these reliable tools help with all of your auto maintenance requirements.

Environment: 5

Final Flag Banner

\$125

The engines revving! The breaks squealing! The gears rapidly shifting! The race is ON and there is no looking back! Simulate the thrills of a real stock car race with these festive black and white checkered flags. Joyride to the finish line with the Final Flag Banner!

Environment: 2

Auto Analysts Tools and Tricks

\$700

Listen carefully as the engine purns. Inhale deeply the fumes from the exhaust. Taste a little of that sticky residue that is pooling at your feet. Still perplexed about what exactly is wrong? Every good mechanic has a few tricks up their sleeve that help them to properly diagnose engine problems. From the professional mechanic's garage to your home, these specially designed tools will help your automobiles continue to run smoothly and soundly.

Environment: 5

Debonair Decanter

\$300

Manners are almost as important as the decor and musical accompaniment that give the surroundings a welcoming ambience and theme. No matter how polite the host, no one wants to spend time in an unpleasant abode. Appearance, therefore, is almost everything. Let the Debonair Decanter lend a helping hand by adding a bit of sophisticated charm to your next soiree or gathering.

Environment: 4

Vehicle Depot Bench

\$800

Every garage needs a sturdy work bench for, well, work! Cars need a lot of tender loving care and brutal wrench work. Nowhere is better to carry out this maintenance than on the Vehicle Depot Bench. Built of hard wood and designed to withstand repeated impact, it is guaranteed that you will love this bench almost as much as your vehicle.

Environment: 6

Custom Rims

\$885

No tricked-out car is complete without a set of deluxe custom rims to give your ride that extra stroke of style and flare. Admire the many options available with this lovely wall collection of rims available from Cartopia Inc.

Environment: 6

Oldie But a Goodie

\$375

You wish you had an Oldie But A Goodie! She defines "classic" in every way. Slick design, vivacious curves, and an engine that will make anyone get out of your way. Can't afford an Oldie But A Goodie? That's okay, because you can afford this portrait of one.

Environment: 4

Win-Win Trophy Case

\$2,200

Up to the challenge but without free time to show off your racing skills? Pre-populated with a stunning selection of trophies representing your victories, this beautiful cabinet is perfect for a study or entertainment room. The Win-Win Trophy Case is for the competitive Sim on-the-go.

Environment: 9

Record of Love Rug

\$450

The Record of Love Rug is a stunning, retro-inspired, shag area rug made from recycled vinyl records! Take it for a spin and you'll start singing a happy tune. Enjoy your melodious new rug from RPM Carpets.

Environment: 3

Tick Tock Stock

\$425

Made from the finest blue chip materials, the Tick Tock Stock is worth investing in. Handsomely crafted and loaded with options, your desk would not trade it for any other accessory. No matter the current market forecast, the Tick Tock Stock replica ticker tape machine will always leave you feeling bullish.

Environment: 4

Call Me a Column

\$85

You say I-beam, I say joist, we all say column! This industrial truss is essential as a support structure, but also adds class to a dream garage or modern loft. Guaranteed not to rust for 5 years.

Environment: 2

Sign of the Times

\$175

No matter what direction you travel in life, you'll always have room for this traffic sign replica in your home or garage.

Environment: 3

Heartbreak Hot Rod

\$8,100

Every ladies' man needs a sweet, smooth ride to impress! Bucket seats, a four-button radio, and an engine that roars like a lion make this model a hot commodity amongst discerning retrobilities everywhere. Ladies will swoon over the leather interior and adjustable seat backs with side pockets.

Speed: 4

Pump It Up Gas Pump

\$925

Relive the days of fast cars and cheap gas prices with the Pump It Up Gas Pump by Hey Daddy-O Inc. This nostalgic replica from yesteryear is sure to be the centerpiece at your next bash. It will snap your cap!

Rock Town 3000

\$14,500

For the man with many muscles (or none at all), this tricked out muscle car is an affordable, high performance automobile great for everyday use or the occasional drag race. With a superior sound system and a full size V-8 under the hood, the Rock Town 3000 is a beast in the garage or on the road! This new edition includes seatbelts and air bags for no extra cost.

Speed: 6

The Fitzgerald
\$22,000

There was a time when all things in life were simpler, car racing included. This vintage design encapsulates the early days of motor sports when a thin plate of glass was enough to protect the driver from the wind and the bugs. This no-frills racer may be primitive by modern standards, but the engine packs that VaVaVaVROOOOM punch seen in race cars today.

Speed: 6

Requiescence
\$90,000

The more space under the hood, the bigger the engine! The bigger the engine, the greater the horsepower! The greater the horsepower, the faster the speed! The Requiescence has enough horsepower for an entire herd, making it the ultimate choice in vehicular recreation. Put the pedal to the metal and enjoy the affluence of the finest ride Simoleons can buy.

Speed: 9

Anachronous Automobile
\$27,000

A near-perfect replica of classic vehicular style, this automobile offers the height of luxury from decades past. Complete with three-speed manual transmission with column shift, optional overdrive, and a semi-floating wheel bearing axle, this beauty is tuned to purr like a tiger as she thunders down the interstate.

Speed: 5

The Empire Eidolon
\$110,000

The Empire Eidolon glides along the road like a phantom in the night. Fully equipped with a satellite radio, ten CD changer, and state of the art global positioning system, this compact sports car is the pinnacle of luxurious driving. So sit down, buckle up, and prepare for the smoothest, fastest ride of your life!

Speed: 10

La Matea
\$41,000

A gift from the gods of the highway, La Matea is the newest entry in the luxury line from Simota Motor Sports. Carefully crafted contours make the La Matea one of the most aerodynamic road vehicles available today. Tripped out with high shine wheel rims, three-hundred and sixty degree driver-side air conditioning, and a passenger-side DVD player the La Matea offers up the highest echelon of luxury at an almost affordable price.

Speed: 7

The Velocity
\$175,000

Rapid motion. Swiftness. Speed. The Velocity from Simota Motor Sports is designed and crafted to be the fastest compact racer on the road. No frills adorn this racing machine, because frills will only slow her down. Speed is the name of the game, and it's a game The Velocity intends to win!

Speed: 10

Classic Convertible
\$43,000

Vintage style at modern prices, this classy classic is everything you can't remember from your grandmother's youth and more! A super sleek polished finish gives this ride a glossy shine that you'll want to preserve by spending your afternoons buffing and waxing the hood. Plenty of trunk space makes up for the limited passenger seating area. Comes fully equipped with an environmentally friendly air conditioning system we like to call Mother Nature.

Speed: 6

Scoot Mobile
\$3,500

Scoot your way around town on this beauty! This baby may not look as fast as a motorcycle, but rest assured, it packs the horses into the engine!

Speed: 2

Summertime Souped-Up Ride
\$47,000

For the Sim that dreams of the thundering hooves of mechanical horses, our friends at Simota Motor Sports offer this new entry in their line of supercars! Featuring an oversized engine that rockets down the road, this sleek beast is a powerful player in the street racing game. But don't worry, it's family-friendly and also features plenty of trunk space for a shopping spree or two.

Speed: 4

The Jamboree
\$4,500

Hit the road in style with the hottest in an exclusive line of 2-wheeled motor vehicles from Simota Motor Sports! Fast and fun, this festive ride will garner envious glances from pedestrians who wish they could be half as cool as you! It's always a party when you're traveling on The Jamboree!
