## KNITTING SKILL

The Sims 4 Nifty Knitting adds the all new Knitting Skill. Sims can master the Knitting Skill by reading skill books, purchasing a Yarn Basket to sit and knit, or by having another Sim teach them how to knit. Increasing this skill unlocks the ability to create custom objects in the game and Teach/Mentor other Sims in Knitting to help them improve their skills faster.

- **Knitting Skill Level 1** - Get comfortable and turn on some tunes, because its time to knit! Use your talents to dress your family, decorate your house, or make some Simoleons on the side. No wrong answers here, just get to stitching! Knitting is primarily tied to the Yarn Basket. Your Sim must have a Yarn Basket in their inventory to start knitting. Increasing this skill will unlock new Knitting recipes, both clothing and objects!
- **Knitting Skill Level 2** - This Sim can now knit Socks. A sock is something you wear on your foot, with or without a shoe. How delightful!
- **Knitting Skill Level 3** - This Sim can now knit Furnishings. Mailboxes with cozies, and plant holders for everyone... huzzah!
- **Knitting Skill Level 4** - This Sim can now knit Rugs. Rugs are big flat things that go on the floor! But then you knew that already...

## THE SWEATER CURSE

Sims can knit a unique sweater called “*The Forbidden Sweater*”. This knit will unlock when acquiring the “Sacred Knitting Knowledge” reward trait for completing the Lady/Lord of the Knits Aspiration. Sims will also need to have a level 10 Knitting Skill.

*Sims receive the uncomfortable “Itchy Knits” moodlet when wearing this sweater!*

Advanced knitters who gift this sweater to others might pass along “The Sweater Curse” which is triggered by the gifting interaction. Sims might get one of the following moodlets when receiving the Forbidden Sweater as a gift: **Unfortuknits (Bored +1)**, **Great Knits (Happy +1)**, or **The Sweater Curse (Tense +2)**.

Sims who end up with the Sweater Curse will have to deal with Romantic interference for 7 days. As the moodlet description warns, Sims should refrain from Romantic interactions during this time. All Romantic interactions will be rejected and Sims will suffer deterioration of both relationship and romance levels. Breakups included.

Sims will have to deal with this curse for the entire 7 days, or they can find a Sim willing to reverse the curse. To reverse the curse, have a Sim with the Sacred Knitting Knowledge trait click the target Sim and use the “Reverse the Sweater Curse” interaction.
